

## PRIVACY POLICY

This Privacy Policy regards the online browsergame “Donville” and is exclusively presented to you by Coöperatieve Vereniging Mindgaming U.A., Wassenaarseweg 7, 2596CD The Hague, The Netherlands, hereafter “Mindgaming”.

Mindgaming reserves the right to incidentally change this Privacy Policy. This will be announced on the website. Therefore, Mindgaming recommends you re-read this Privacy Policy on a regular basis.

Mindgaming strives to guarantee your privacy. The personal details you might submit to this website are used for Mindgaming’s own goals and goals to be announced in the future all conforming to the current privacy laws. Mindgaming uses your details to deliver goods ordered and for administrative purposes. Mindgaming will only use your details for other purposes with your own permission. Mindgaming will only supply the personal details to third parties if they are involved in delivering goods from and/or by Mindgaming and which are needed for the other products and services provided by Mindgaming.

## PURPOSE OF PROCESSING PERSONAL DETAILS

To provide you with the appropriate identification details, such as username and password, to use the services provided by Mindgaming, Mindgaming needs your personal details. These details can, with your permission, be used by Mindgaming for marketing purposes.

To realise the general goal of Mindgaming, which is to improve the game.

To provide you information regarding products and services by Mindgaming and/or allied corporations and third parties, and as to engage in promotional activities for Mindgaming and/or allied corporations and third parties.

You are asked to submit personal information. This information will only be used for the above mentioned purposes, and without your permission will not be made available to any other body than described above.

Mindgaming strives to take organizational and technical measures to protect your personal details against loss, unauthorized access or any other form of unlawful use.

For further questions regarding the Privacy Policy, please contact [info@mindgaming.nl](mailto:info@mindgaming.nl)

## COOKIES

To provide optimal service, Mindgaming can make use of cookies. A “cookie” is a small piece of information that is saved on your device by an application on the website. This cookie can then be used when you re-visit the same website. The information can only be read by the website that stored the information, and by nobody else.

Mindgaming uses cookies exclusively for administrative purposes, such as remembering your login information for automated login next time you visit the website.

Most cookies only work during a single session or visit.

No cookie will contain any information that makes it possible to contact you by phone, email or post.

In case you don't want to allow cookies, you can configure your browser to either block cookies or notify you when cookies are about to be saved on your device.

## YOUR RIGHTS

When you provide personal details to Mindgaming, you have the right to review, edit or remove these details. You can also withdraw permission to use your details for the previously mentioned purposes. To do this, please contact [info@mindgaming.nl](mailto:info@mindgaming.nl)

We'd like to point out that changing or removing your personal details can limit the use of the services. The change or removal of personal details does not affect the agreement with Mindgaming, it remains unchanged for the period agreed upon.

You specifically agree that Mindgaming can use your personal details for marketing activities.
